

## REACH Declaration of Conformity

Status in 2024

In accordance with COMMISSION REGULATION (EU) 2020/1149 of August 3, 2020 amending Annex XVII to Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) also as regards "Diisocyanates".

"K-TOOLS.DE GmbH & Co. KG" is a downstream user in the sense of REACH. Our products are considered as products and not as substances and as such are not subject to registration. The raw materials we use are either not subject to registration (polymers) or are registered by our suppliers (additives, auxiliaries, adhesives, waxes). Under normal conditions of use, no chemical substances are released from our products (cf. Art. 7 Para. 1 of the REACH regulation).

### **Substances of very high concern (SVHC) according to Art. 59 Para. 10 of the REACH-Regulation**

According to current knowledge, our products do not contain any of the "substances of very high concern" that are listed on the following list of candidates by the European Chemicals Agency ECHA.

**ECHA candidate list: <https://echa.europa.eu/de/candidate-list-table>**

We comply with the obligation under Article 59 of the REACH regulation and inform our customers immediately if, according to new knowledge, "substances of very high concern" are contained in our products above the limit of 0.1%.

This confirms that our entire product range meets the requirements of the REACH regulation. This applies in particular to our series:
